

SHOUTOUTS FROM ARTISTS, MUSICIANS, FANS

“Shoutouts” are very popular in the Hampshire Highlands Arts & Music Festival Program Booklet. Here are examples of some shoutouts in previous booklets:

*Explore Medical issues with Dr Andy Wilcox and Cosmic Charley on Medtalk at the Hampshirereview.com under podcast.

*A big thank you to all who've bought from Country Painting - Needle Arts, Painting, Gifts of Sentiment - Nancy Judd

*Larry Manning wishes a great day for the artists and musicians at the Arts & Music Festival

*Come by the Co-op and see Wild Onion Photography!

*Unique Gifts for all occasions. Stained glass panels, sun catchers, and stars. Robin Pancake, 304-822-5663

Shoutouts are a lot of fun and give artists and others an opportunity to support the festival in a unique way at a very low cost.

For just \$10, you can introduce yourself, let people know how to get in touch with you, help boost your sales, or just give support to the festival. To sign up, contact Joanne Snead at 304-298-3039 or email Joanne_Snead@yahoo.com.

Our Festival Program Booklet will be widely distributed as well as available online. **Deadline for submissions is May 1.**
